
INTERNATIONAL WOMEN'S LECTURESHIP

*#1A Ryan Street Extension,
Ryan Street, San Juan, Trinidad, W.I.*

Sunday 5th April 2015,

Dear sisters:

Greetings in the name of our Lord and Saviour Jesus Christ. I hope that this letter meets you in high spirits. The International Women's Lectureship Committee (IWLC) is seeking to foster greater interaction between our younger and older sisters. Though we sisters meet several times during the year at the various fellowships, these annual meetings are usually very formal and in want of more time for interaction. The IWLC spear headed by its Youth Arm would like to facilitate the development of more substantial bonds among the sisterhood so we cordially invite you to our first Day of Fun in the Botanical Gardens on **May 2nd 2015 at 10:00am.**

As it is our aim to encourage greater interaction with our fellow sisters, we have decided to make it an intimate affair and target a few congregations at a time. The congregations invited for the event are:

- Barataria
- Carenage
- Diego Martin
- Morvant
- San Juan
- Trotman Street
- Arima
- Belmont
- Sangre Grande

The Day of Fun will include activities and competitions and the lunch will be pot luck style where each invited congregation will be asked to bring a specific food item to contribute to the meal.

We do hope to receive a favourable response to this letter and we look forward to spending a day of fun with you our sisters.
